Item No.: 12645

PRODUCT NAME

## Automatic cable winder for indoor use H05VV-F 3G1,5 20 m IP20

Reference image

- Reel body made from robust, shatter-proof special plastic: extremely sturdy design
- Can be swiveled 180° on the wall attachment
- With handle for easy carrying
- No more tiresome winding in of the cable. Simply pull gently on the cable and the automatic rewinding mechanism will wind the entire cable into the cable winder housing.
- The fixed locking mechanism on the cable ensures that the shock-proof connector cannot be pulled into the housing when the cable is being wound in.
- With built-in thermal circuit breaker
- Includes heavy-duty dowel/screws for wall attachment
- With shock-proof angle plug and shock-proof connector
- Can be swiveled 180° on the wall attachment and with "EASY TO GO" function
- IP20: suitable for indoor use
- 230 V, 16 A, max. 2000 W
