

Product Datasheet

Item No.: 45223

PRODUCT NAME
Inline RCD 30 mA

Reference image

- Undervoltage release
- Trigger time less than 30 ms
- Reliable protection against dangerous electric shock
- Residual current is detected in a split second, and the supply of current interrupted
- With function display and trip test button and electronic measuring instrument
- 230 V, 16 A, max. 3,500 W
- It detects residual currents that occur when a faulty electrical device is touched, for example, and interrupts the current quickly enough to prevent life-threatening accidents.
- It also has an undervoltage release that prevents secondary accidents in the event of a failure of the mains voltage.
- 30 mA inline RCD
- For fixed connection to the power cord,
- For double-sided cable connection, IP66

Technical data

EAN	4011160452239
Weight [kg]	0.29
Dimensions	5,5x5,5x21 cm
Main color	black
Series	PRCD
Category	Personal protection range
Subcategory	PRCD range
Rated voltage [V]	230
Rated current [A]	16
Maximum power	3500 W
IP protection	IP65
Protection device	PRCD inline RCD 30 mA IP66 (art. no. 45223) for independent installation onto the power cord
mA	30
