

# Product Datasheet

Item No.: 59610

PRODUCT NAME

## CEE construction site extension 400 V, 16 A, 5P 10 m H07BQ-F 5G2,5

Reference image

- IP44: protected against foreign bodies and splash-proof
- CEE plug and CEE connector with flap lid
- Latest generation “Made in Germany” plugs and connectors
- 400 V, 5-pole, 6 h

### Technical data

|                                  |                                                      |
|----------------------------------|------------------------------------------------------|
| EAN                              | 4011160596100                                        |
| Weight [kg]                      | 3.5                                                  |
| Dimensions                       | 28x14x28 cm                                          |
| Main color                       | orange                                               |
| Category                         | CEE 400 V product range                              |
| Subcategory                      | CEE extensions                                       |
| Cable type                       | H07BQ-F                                              |
| Cross section [mm²]              | 5G2,5                                                |
| Cable color                      | orange                                               |
| Cable length [m]                 | 10                                                   |
| Rated voltage [V]                | 400                                                  |
| Rated current [A]                | 16                                                   |
| Maximum power                    | 11 kW                                                |
| IP protection                    | IP44                                                 |
| Input                            | CEE plug 400 V, 16 A, 5-pole with 10 m H07BQ-F 5G2,5 |
| Output                           | 1x CEE socket 400 V, 16 A, 5-pole                    |
| Total number of sockets          | 1                                                    |
| Number of CEE 400 V 16 A sockets | 1                                                    |
| Number of cores                  | 5                                                    |
