

# Product Datasheet

Item No.: 61455

PRODUCT NAME

Extension with 3-way socket outlet 5 m AT-N07V3V3-F 3G1,5 YE

Reference image

- Approved for use on construction sites and in agricultural applications
- IP44: protected against foreign bodies and splash-proof
- Robust design for outdoor use
- With eyelets for suspension
- With safety plug
- With 3-way connector with shock-proof socket outlets with safety flap lids with hammer symbol
- 230 V, 16 A

## Technical data

|                                  |                                                                       |

| EAN                              | 4011160614552                                                         |
| Weight [kg]                      | 1.24                                                                  |
| Dimensions                       | 17x6x17 cm                                                            |
| Main color                       | black                                                                 |
| Category                         | Extensions                                                            |
| Subcategory                      | For use on construction sites                                         |
| Cable type                       | AT-N07V3V3-F                                                          |
| Cross section [mm²]              | 3G1,5                                                                 |
| Cable color                      | yellow                                                                |
| Cable length [m]                 | 5                                                                     |
| Rated voltage [V]                | 230                                                                   |
| Rated current [A]                | 16                                                                    |
| Maximum power                    | 3500 W                                                                |
| IP protection                    | IP44                                                                  |
| Input                            | Shock-proof plug 230 V, 16 A, IP44                                    |
| Output                           | 3x rubber shock-proof connector with protective cap 230 V, 16 A, IP44 |
| Total number of sockets          | 3                                                                     |
| Number of Type F sockets (230 V) | 3                                                                     |
